Question 7 / 20

Quelle est la limite de $\sin(x) / x$ quand $x \rightarrow 0$?

A018%

B164%

C $+\infty$ 9%

DLa limite n'existe pas9%

AI Explanation

The classic limit $\lim_{x \rightarrow 0} \sin(x)/x = 1$ follows from the squeeze theorem — as x approaches 0, $\sin(x)$ and x become indistinguishable.

STUDENT STORIES

Real results, real students

//

I went from re-reading my notes to actually practicing the real exams. The AI explanations clicked instantly — I passed Analyse 2 with a 16.

//

Seeing what percentage of students picked each answer is genius. It showed me exactly where everyone gets tricked, so I stopped making those mistakes.

OM

Génie Civil · UCA Marrakech

//

The challenge mode is dangerously addictive. I climbed to #3 on my faculty leaderboard and somehow learned an entire module doing it.
